

From the Desk
of the Agent

Council of Presidents

If you are elected as an officer in your club for the 2013-2014 4-H year and are in grades 4-13, this meeting is for YOU! You will learn how to run a business meeting, what all those terms mean, have some fun and help plan the countywide community service project! The next Council of Presidents meeting/training is Saturday, November 16 from 10 – 1pm at the 4-H office. The Council is the voice of the youth of 4-H!! Come have some fun, learn about Parliamentary Procedure, and share with others what your club is doing!

The Council meets 4 times per year. MARK YOUR CALENDAR:

- Sat. Nov.16, 2013
- Mon. Jan. 20, 2014
- Sat. April 26, 2014
- Sun. Jul 13, 2014

Record Book Due September 16, 2013!

- Don't forget to include: Public Presentation judging sheet
- Application page (your leaders' have them or you can download off the website)
- Complete your record books neatly and only include information about the project of the book you are completing. (Every project area gets a different book)
- You have until 4:30 p.m. on September 16th to turn them into the office. We will take them ANYTIME before that as well! Don't wait til the last minute!

Reminders

Attn:
4-H
Leaders

The Next 4-H Leaders Association Meeting

Wednesday November 6 @ 7:30 p.m.

At the 4-H Office. All registered Warren County 4-H leaders are welcome!

If you prefer a hard copy mailed to your address, please call the office and confirm your updated contact information so we can send you a paper copy. We will only send paper copies to those families that contact us. We hope that 4-H families take advantage of the Grapevine online and help us save the environment.

The Jr. Breeder loan program

a great program for young adults already participating in 4-H to acquire livestock via a low-interest livestock loan. Contact the 4-H office for the forms and additional information.

Going to Rutgers????

Going to miss 4-H????

No Need! You can join the Collegiate 4-H Club!

They do much to support 4-H in NJ

Our Mission

The Rutgers Cooperative Extension 4-H Youth Development program uses a learn by doing approach to enable youth to develop the knowledge, attitudes, and skills they need to become competent, caring, and contributing citizens of the world.

This mission is accomplished by using the knowledge and resources of the land grant university system, along with the involvement of caring adults

Baseline testing for head injuries

recommended for all high school athletes and 4-H believes it should also be recommended for all our 4-H Equestrian and Roller Derby athletes as well. Wearing a helmet does NOT protect a person from a concussion. Having a baseline test for all riding and skating youth could be an important factor in determining if a child has had a concussion in the case of a head injury during an event. Take the online test!

Leadership Washington Focus Newsletter Description

Summer 2014 will be the first time that Leadership Washington Focus (LWF) will be held at the National 4-H Youth Conference Center in Chevy Chase Maryland. There will be 4-H members representing many states across the nation at Leadership Washington Focus. LWF is a 4-day event (Tuesday-Saturday) for 4-H members in grades 6-8 at the time of application. The program will provide an opportunity for youth to listen to motivational speakers and participate in workshops that will develop communication skills, increase leadership capacity and build lifetime skills. The program utilizes Washington, D.C. as a working classroom to learn about leadership and provides hands-on opportunities for our younger teens to promote "Learn to Lead Now - Better Leaders Tomorrow."

Activities during the 4-day conference will help delegates to:

- Build confidence in their ability to motivate and direct others in meaningful action.
- Practice effective communication with others through group discussion and public speaking.
- Work with others to create and accomplish goals.
- Develop an understanding of leadership styles and identify personal style.
- Exchange ideas, practice respect and form friendships with other 4-H'ers from across the nation.
- Visit some of D.C.'s most spectacular sights and learn about the different types of leadership conveyed through the symbolism of our national monuments and memorials.

The cost for the conference is \$800 per person which includes all expenses – registration, lodging, meals, transportation and activities. Applications are due to the county 4-H office by November 1 and are due to the state 4-H office by November 12.

Contact Alayne Torretta for the application
Torretta@njaes.rutgers.edu

West Nile Virus in NJ

West Nile virus (WNV) activity has been identified in 19/21 counties in New Jersey (all counties except Cumberland and Salem)

Local health departments are encouraged to distribute WNV prevention and mosquito breeding habitat reduction messages to residents, including:

- When outdoors, use insect repellent containing an EPA-registered active ingredient. The gold standard for mosquito repellent is DEET, which may be used on adults and children greater than two months of age. Other repellents recommended by the CDC for use against mosquitoes that may transmit WNV include picaridin, IR3535 and some oil of lemon eucalyptus and para-methanediol products.
- Oil of lemon eucalyptus products should not be used on children less than three years of age. Be sure to apply insect repellent in accordance with the instructions on the product label.
- Limit time outdoors at dawn and dusk, when mosquitoes are most active, or wear long-sleeved clothing during those times.
- Keep mosquito netting over infant seats and strollers.
- Eliminate standing water where mosquitoes can lay eggs, such as flower pots, tire swings, wading pools, wheelbarrows, buckets and cans. Change the water in birdbaths and pet dishes every few days. Maintain gutters and drain pipes to prevent clogs and standing water. Keep swimming pools chlorinated and pool covers tight to prevent creating pockets of stagnant water.
- Install or repair window and door screens.
- Support community-based mosquito control programs. Residents may call 1-888-NO NJ WNV (1-888-666-5968) to get the phone number for their county mosquito control program.

Call for National 4-H Conference Applications

The 2014 National 4-H Conference will be held April 5-10 at the National 4-H Youth Conference Center in Chevy Chase, Maryland.

Approximately 300 will gather to assist in the development of recommendations to help guide 4-H Youth Development Programs nationally and in their communities. New Jersey will be sending a delegation of six teen 4-H members and two adult chaperones.

Applicants must be enrolled in grades 10-12 as of September 2013. They must be at least 15 years old, complete an application form and attend a personal and group interview. 4-H members interested in attending must work well in groups, have good communication skills and be leaders. Interested 4-H members must complete an application form available on-line at <http://nj4h.rutgers.edu/leadership/nat4hconference> Applications and cover sheet completed by the 4-H agent must be postmarked or received on or before October 11 in the state 4-H office.

Rutgerscience Saturdays

Students in grades 5-9 are invited come to Rutgers University to explore Science Technology Engineering and Mathematics.

4-H Rutgerscience Saturdays invite young people to experience the cutting edge research going on at Rutgers University through hands on investigations in science and engineering along side Rutgers University scientists and engineers. As a youth development organization, our objective is to provide an exciting, supportive, and intellectually stimulating environment for young people to explore STEM career fields.

- Why 4-H consider 4-H Rutgerscience Saturdays for your child? Our [annual report](#) describes what young people say about the value of 4-H Rutgerscience Saturdays to them.
- **Frequently Asked Questions (FAQ) about 4-H Rutgerscience Saturdays.** What to bring and what to expect at a program.

- How do I register my child for a 4-H Rutgerscience Saturday? Download a [registration form](#) and a [permission form](#) here. All programs run from 10 am – 1:30 pm.

Upcoming Rutgerscience 4-H Events

Event	Date	Location

Record books

To wrap up the 2012-2013 4-H Year, your completed project record books are submitted to the 4-H office for review. In this newsletter, you will find the **APPLICATION PAGE** that **must accompany your record book!** Print it and put it with your record book. We will also need proof that you did your public presentation in March of 2013 or at the 2013 Fair. That would be your judging sheet.

Project Record Books are due to the 4-H Office September 16 by 4:30 p.m. 4-H Alumni from around the country at Rutgers University will again review your record books. These former 4-H members will give you feedback we hope will help you to see strengths in your record keeping, project area(s), community service, and leadership abilities. Also, they can point out how you can improve in these areas as well!

Record books are the only way that reviewers can see, in detail, what you have learned over the past 4-H year – so the books are very important in getting to know you and acknowledging your accomplishments.

We realize that many kids HATE to write (especially when it is not for school) and that record books are the farthest things from your mind in September. But, if you haven't waited until September to begin your record keeping, finishing them up in a month should be a SNAP! Ask mom or dad (or your leader!) to help you set a time to work on your book.

If you need a project record book, you can download from www.warren4-h.org and follow the link for RECORD BOOKS, however, keep in mind that filling one out in one month CAN be a burden!

Clover bud record books available

If your child is a clover bud member (grades k-3) of 4-H, or if you have one in your club, you can get them started right. Clover bud record books are a great way to introduce the record keeping skills youth need for an independent adulthood. We would love to display them at the Achievement Night this October.

County Recognition

Remember, in order to be recognized at the county level we need to hear from **YOU!** **Fill out the one page application.** The page is included in this newsletter. (You can get it on line or the office) and submit it with your record book. Also you must have:

- Attended 70% of your club meetings
- Given a formally judged presentation at the county or state level (include the judging sheets with the book)
- Completed a project record book in the area you would like recognition by the deadline
- Participated in this year's fair
- Participated in a 4-H sponsored community service project

Don't miss out because you forgot the application page! The office cannot fill one out for you!!!!

If you have completed all of the above *and* have COMPLETED 4th grade or higher, county recognition is in the form of achievement medals, or pins, in your project area and are given out at the achievement dinner in the fall.

Recognition for cloverbud members (grades k-3) is in the form of a certificate of participation.

You and your family are invited to participate in **Achievement night October 26** whether you've completed a record book or not! 4-H will honor you with certificates of merit or participation, depending on how active you have been this year.

Outstanding Project Member

In addition to the achievement medals, one outstanding project member is chosen in the more popular project areas and will be announced at the dinner. A 4-H member can be awarded this recognition more than once. This is why your record books are turned in and sent down to the Rutgers 4-H Collegiate Group.

Are YOU an Outstanding 4-Her??

Warren County 4-H will select two outstanding 4-H members for the year, but a 4-Her must apply for this recognition. Call the office for an application. It can only be awarded once in a 4-H career for a member who maintains a member in good standing status in the year they apply.

Outstanding 4-Her applications are available in the 4-H office and are due September 16.
